The Stage Is Set ...

Injuries are just one of the hazards involved when students participate in sports. Here sophomore Tate Jennings endures the pain of an injury he received while playing in the Decatur-Lawrence North reserve football game.

The Show Must Go On!

With a new set of administrators, a new nine period day and the construction of a new cafeteria, Decatur Central High School opened its doors to premiere a new school year August 28.

Dr. Anthony Etienne replaced Marvin Armstrong as principal after serving as vice principal for three years. Bill Fisher was named the new dean of boys and Elizabeth Gut served as dean of girls.

The new nine-period day was a major change as some 1,470 stu-

dents were scheduled into nine periods instead of the previous six. Classes were shortened from 60 to 40 minutes. Lunch became a separate 40-minute period, giving students an extra ten minutes. "I think the nine-period schedule is working out very well," commented vice principal Richard Wood. "I'm very optimistic and I'm glad we did it."

During the construction of a new cafeteria, students ate their lunch on the upper level of the

gymnasium and were served cold lunches during this period. "It was terribly inconvenient," commented senior Dan Cummings.

Along with inside and outside construction, a new English curriculum, new hall monitors and the many other changes that Decatur Central encountered in 1979, DC never stopped to rest because THE SHOW MUST GO ON!

(Left) During the construction of the new cafeteria, students ate lunch above the gymnasium. Senior Jerry Eubanks enjoys his DQ while senior Tom Spragg munches down his daily cold sandwich.

(Right) The wrestling room becomes the temporary cafeteria as Mary DuBois rings up junior Gordon Mills' purchase.

Creative Learning students Jeff Vorhies and Mark Gagen work out plans for a movie. Creative Learning was added to the curriculum this year in order for students to learn to teach themselves.

Cyndi Parker applies suntan lotion to Lori Johnson's back before a day in the sun.

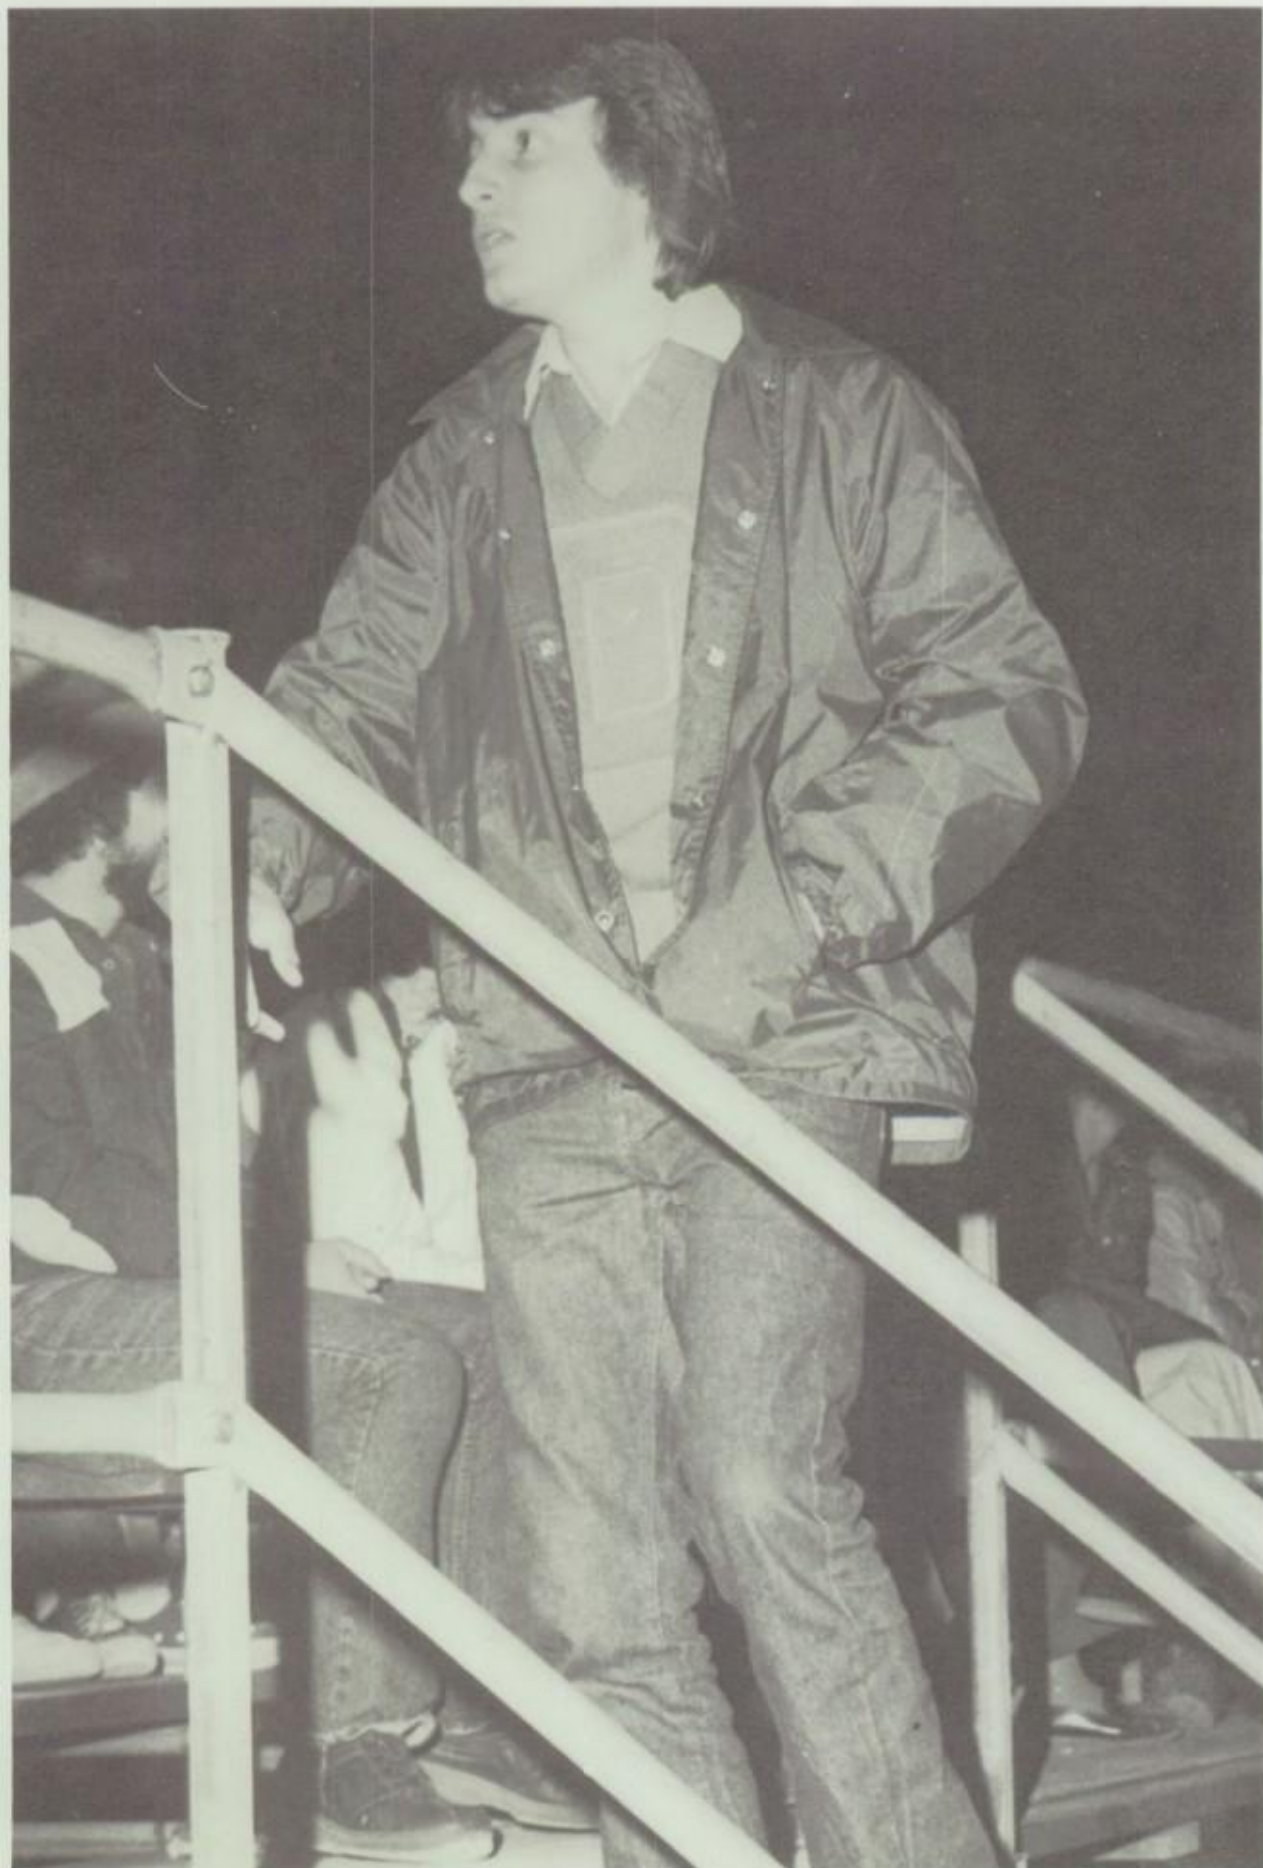

An afternoon dip is in store for William "Buzz" Brown as he prepares his back dive.

(Top) John Cobb and his date enjoy the warm atmosphere of the Prom at the Columbia Club.
(Above) Senior Robin Colson papier-maches the pot used in the senior class home-coming float.

Behind The Scenes

After school, junior Debi Watson practices her overhand serve to better her tennis game.

Finding someone in the homecoming crowd is not easy as junior Gary Thompson discovers.

The 1978 Prom Court: Prince Danny Stephens, King Bret Adams, Queen Lisa Rigger and Princess April White.

Senior Richard Osborn and his date dance to the sounds of Razz at the prom before winning the disco contest at the post prom.

"Wishing On A Star"

The tenth floor of the Columbia Club provided the setting for the 1978 Prom. The atmosphere was decorated in blue and silver to the theme "Wishing On a Star" by the junior class, headed by president Tracy Mills. "I think the Prom was a success because of careful planning and hard work from the committees," commented Mills. "The decora-

tions added a sparkle to the warm atmosphere of the ballroom. Razz played music that everyone enjoyed."

Reigning that evening of April 22 were seniors Bret Adams and Lisa Riggen as they were crowned king and queen. Completing the court were prince Danny Stephens and princess April White, juniors.

An Indy 500 theme enhanced post prom activities as free food, games, movies, swimming, a disco contest, and a tricycle race were among numerous activities to choose from for those who attended. Breakfast was served at 6:00 while some couples prepared for Sunday picnics at state parks.

Jim May and Marlene Linville discover that dancing with crutches isn't easy but can be done.

The ballroom of the Columbia Club presents an appealing atmosphere for couples to "wish on a star."

(Above) Self service gas stations help Donn McKinney minimize the cost of operating his own car.

(Right) Athletic events attract many high school students. Here Tim Garver sells Danny Lee a ticket to a volleyball match.

Money Says "Good Buy" To Wallets

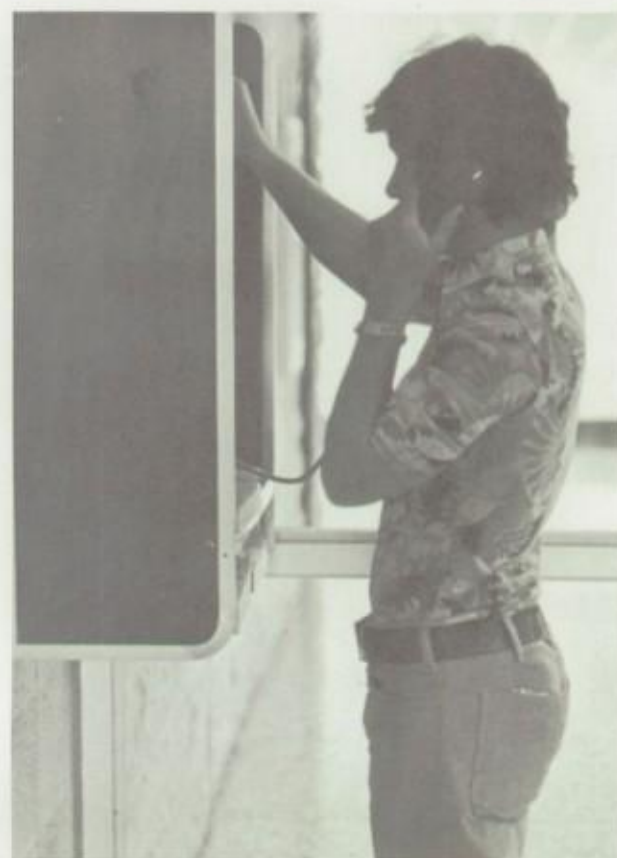

Money, cash, "dough, bread or the almighty dollar," no matter what it's called, students spend it. There was never enough to buy everything wanted and students learned to economize in a time when all the prices seemed to be going up. The price of a football or basketball game went

from \$1.50 to \$2.00. A can of coke cost 30 cents and gas went to 68 cents a gallon.

Students spent varying amounts of money on a variety of things. Freshman Lisa Hatchett estimated she spends \$5.00 a week on lunch and junk food, while junior Brian Brady felt he

spends an average of \$70.00 on gas for his car, movie tickets, concert tickets and albums.

Students depend on money for many things, and without it, gas stations, clothing stores, fast food restaurants and neighborhood candy shops would be extinct.

(Upper left) Senior Ramona Frye buys tickets to see her favorite group in concert.

(Right) Senior Randy Allen finds that even a simple phone call costs money.

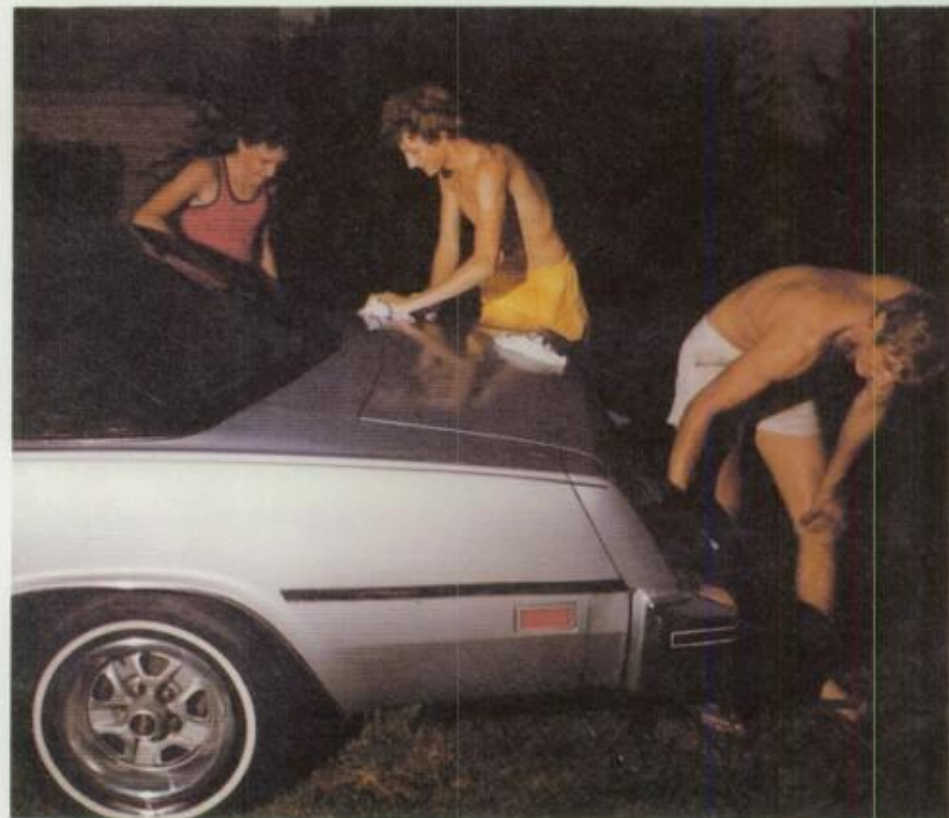

Junk food prices are ever growing as senior Kevin Combs discovers.

(Above) Sophomore Danny Killion enjoys bike riding as a weekend hobby.

(Upper right) Football games not only supply students with the excitement of the sport, but also provide them with a social activity. Sophomores Becky Utterback, Debbie Smith, junior Jenny Jones, sophomores Tracey Haggard and Don McKnight make their way to the refreshment stand.

(Right) Chores such as washing the car seem to occupy weekend time for Jon Baughman, junior Josh Davis and senior Sam Davis.

'Thank God It's Friday'

Weekends provide DC students with sixty-four hours and forty-five minutes of an unlimited number of decisions to make. Students must decide whether to catch up on sleep, make money, spend money, or just goof off.

Friday nights provide students with the usual varsity football or basketball game. For many students, Saturday afternoons are

spent working or doing various odd jobs around the house while Saturday nights supply various activities such as movies, discos, parties, or just "cruisin' the south side." Sundays offer a day of rest in order to prepare for another week of school.

"Weekends give me a chance to unwind because I have no obligations," commented senior Mark Henry.

Junior Larry Colleston spends his weekend time on the "south side" while senior Terry Shephard spends his weekends working at the south side Steak -n- Shake.

(Upper left) After a refreshing swim, Mindy Grey, senior Melanie Grey, sophomores Roger Grey and Susan Lee relax by the fire.

(Left) Putt Putt furnishes a night of entertainment for senior Judy Young.

Hair Styles Show Personality

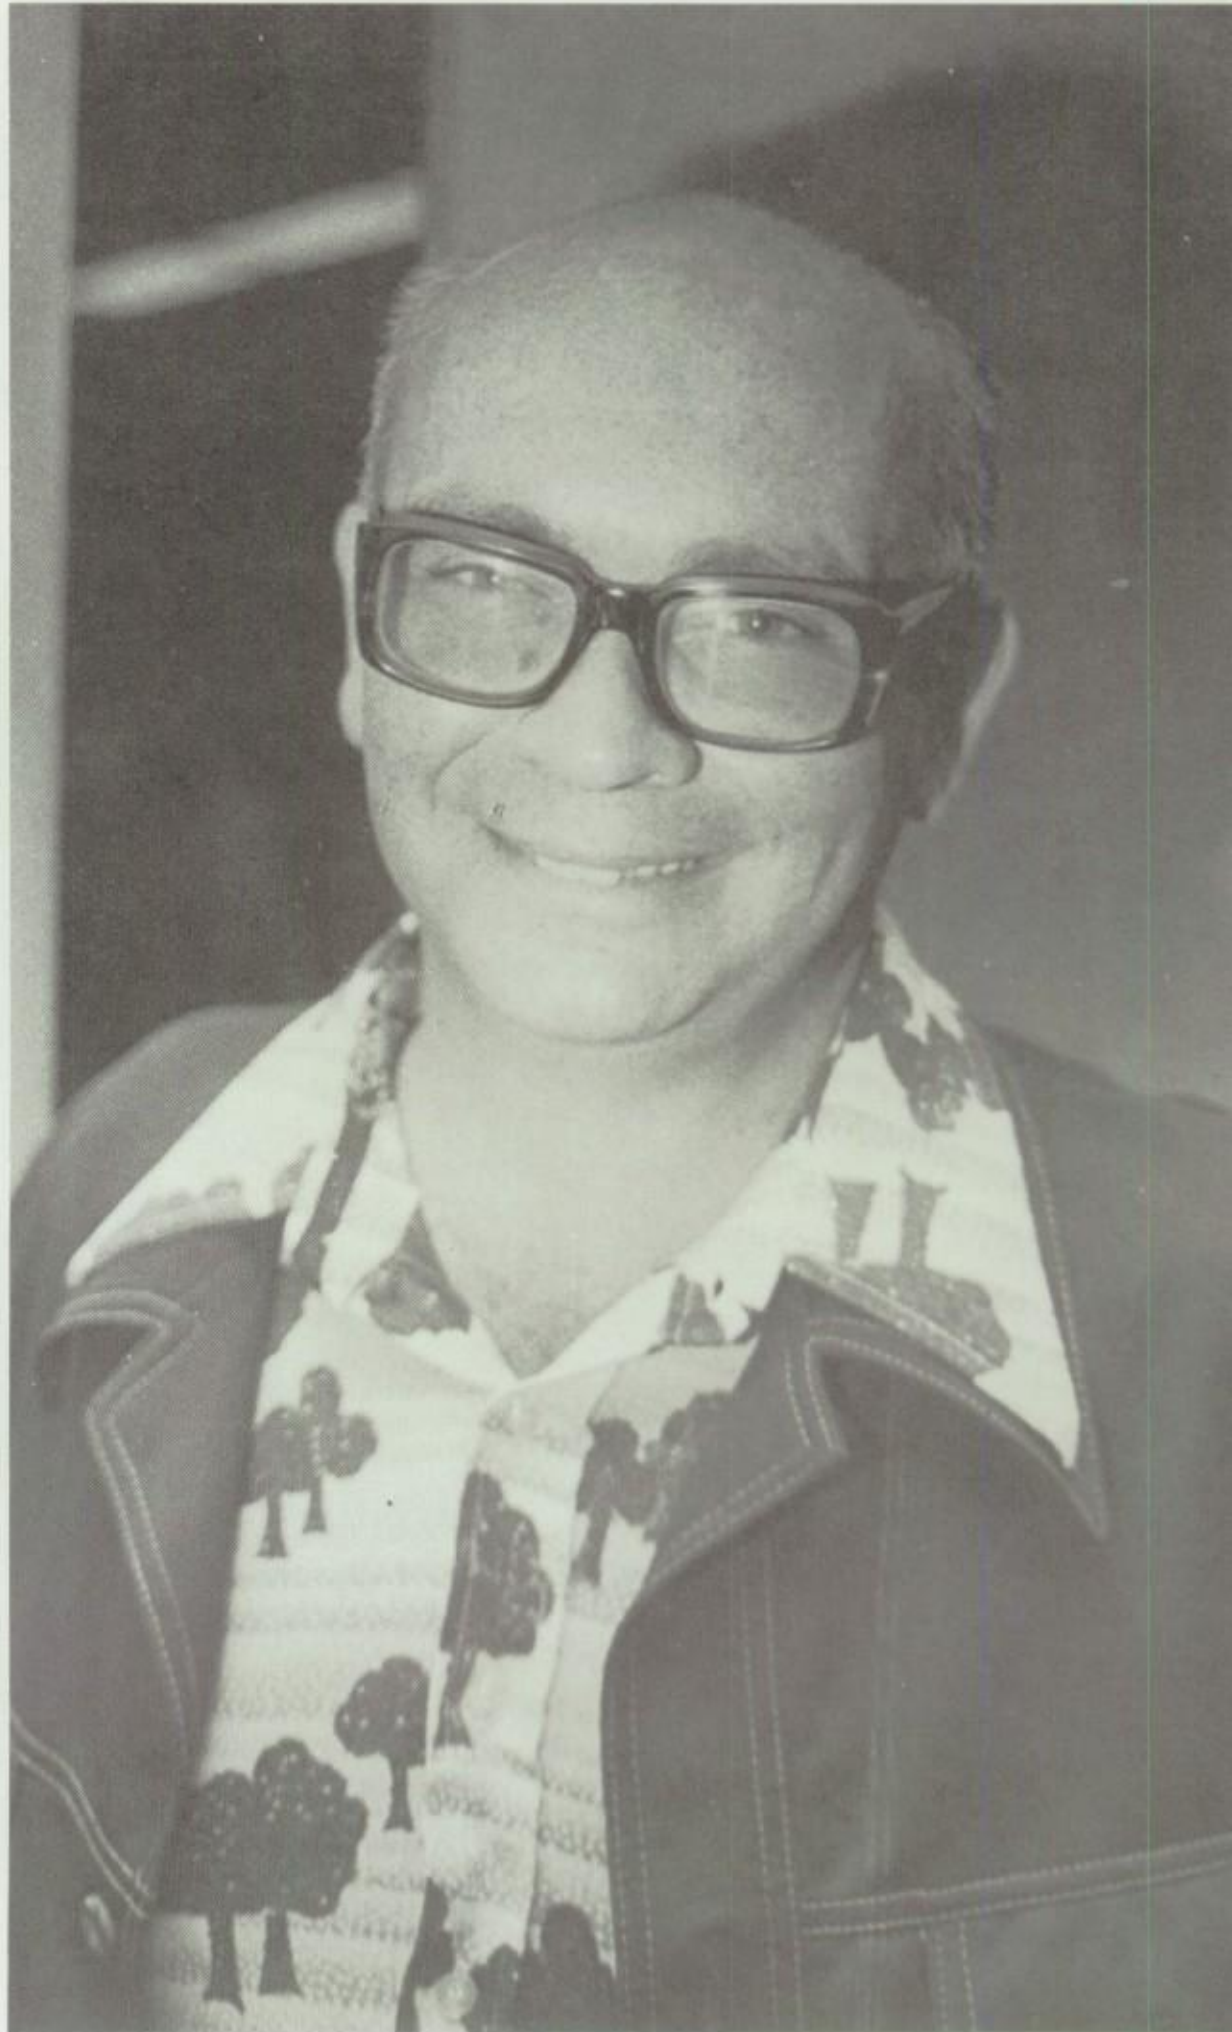

Most students spend a great deal of time and money getting their hair to look attractive and stylish.

Styles range from the Dorothy Hamill wedge to the Farrah Fawcett flip. Hairstyles are not confined only to the female of the species. Many a boy has been caught with his sister's blow dryer or sitting in the beautician's chair.

(Above) Sophomore Tina Coffey wears her hair long with the bangs pulled back.

(Right) Science teacher Marion Cooley has solved all problems of hair styles and proves the old adage "hair today, gone tomorrow."

Freshman Diane Scott and juniors Angela Scott and Julie Link show the latest styles for girls—curls, swirls and kinks.

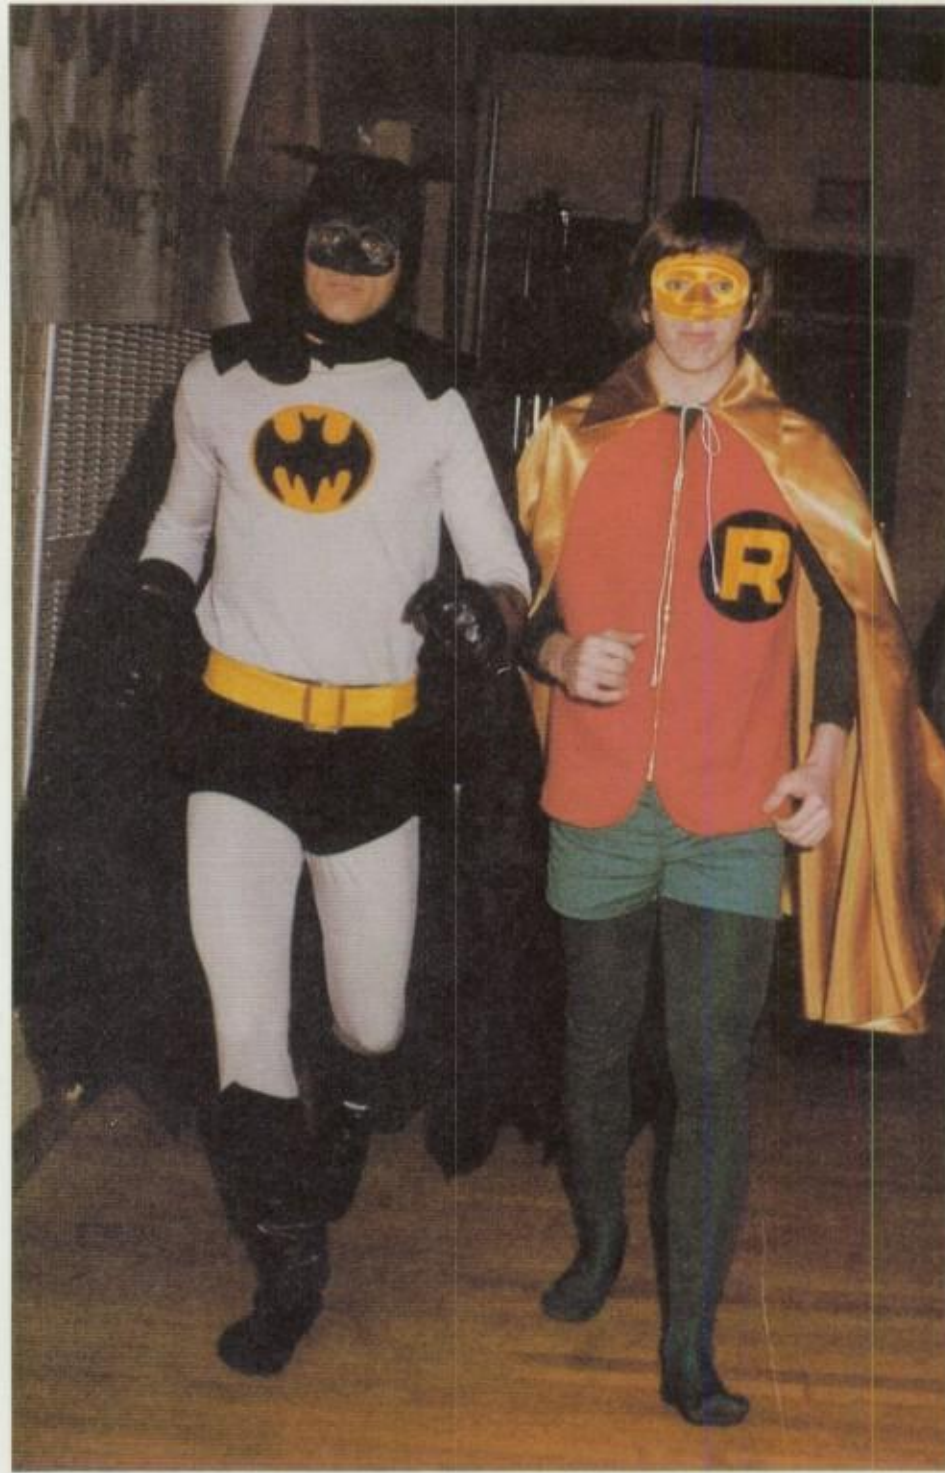

Curls are back and senior Phil Hawkins has 'em.

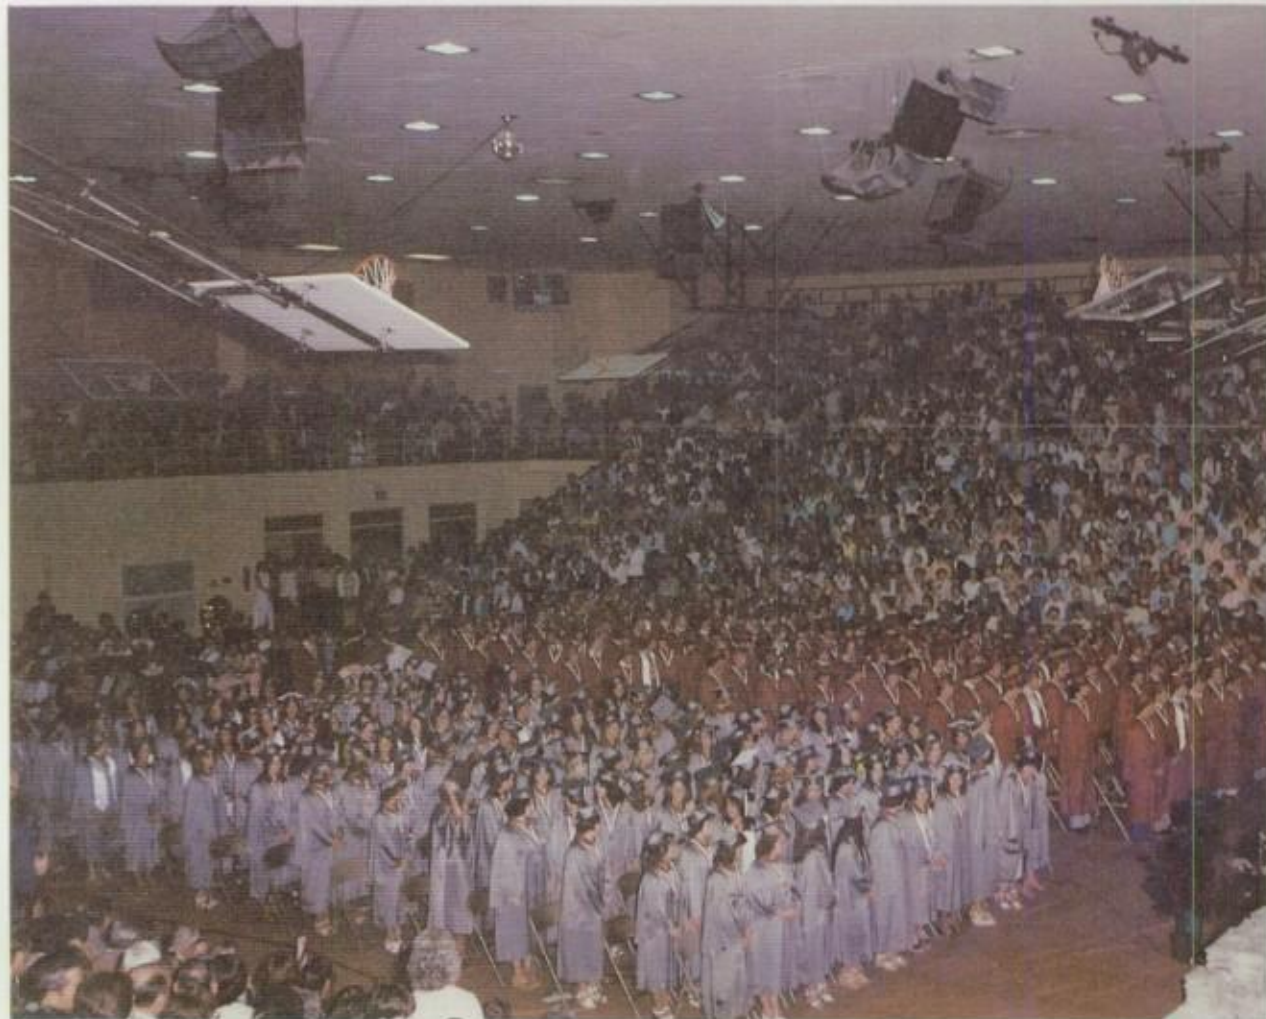

Junior Wayne Burdette shows one of the most popular hair styles for boys, feathered bangs.

Twelve Years Pass Slowly

Batman and Robin (Eric Fordyce and Carl Krutz) maintain justice during half time of Super Bowl V. Jill Thorpe won the dress-up contest by dressing as a Fig Newton.

The 1978 Senior class waits anxiously for their diplomas.

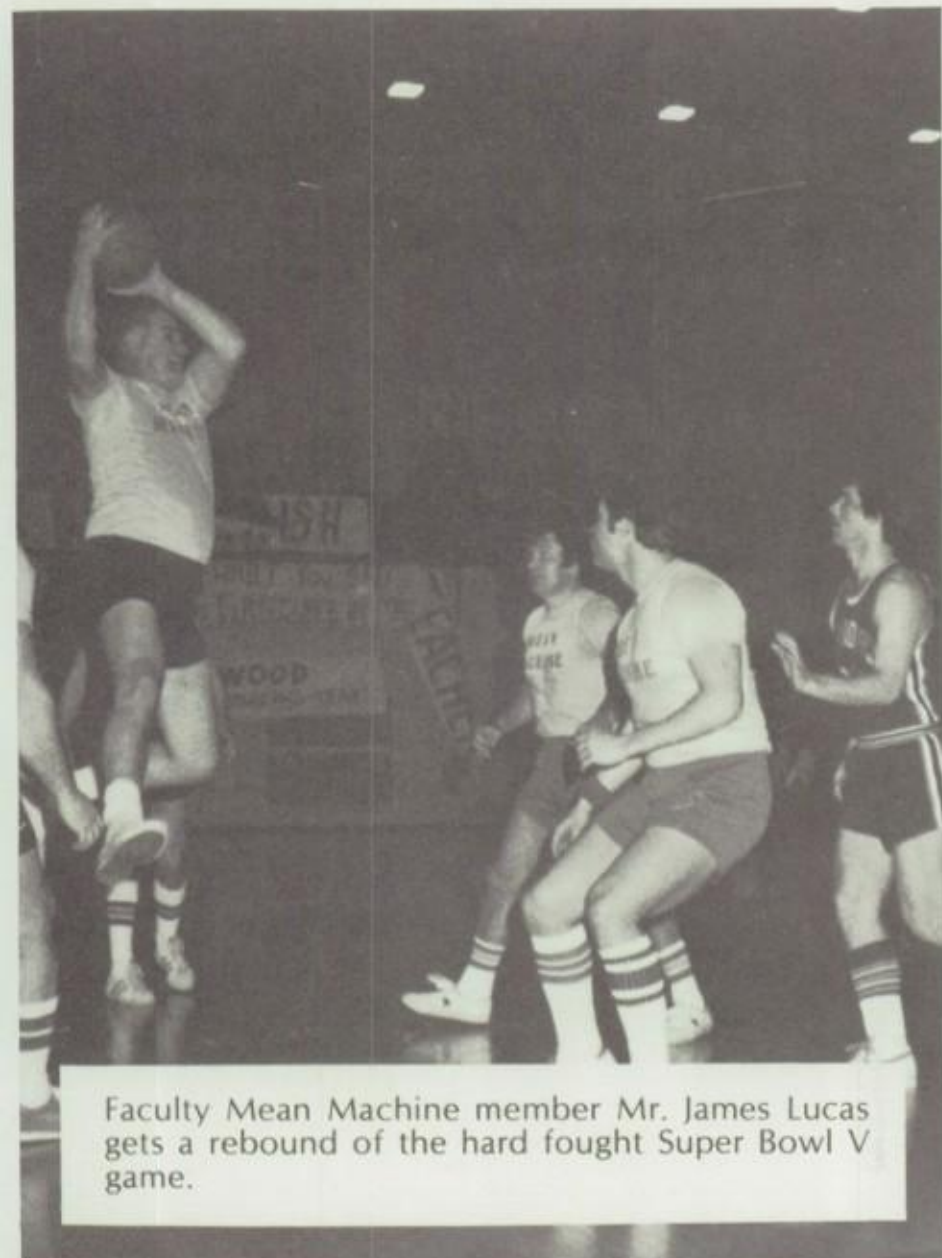

Last Month Whizzes By

Super Bowl V set the spark for the '78 Seniors and their remaining three months at Decatur Central. The faculty won for the second straight year by a score of 54-53. During half time activities Mr. Phil Webster and Mrs. Diane Ehlers reigned as king and queen.

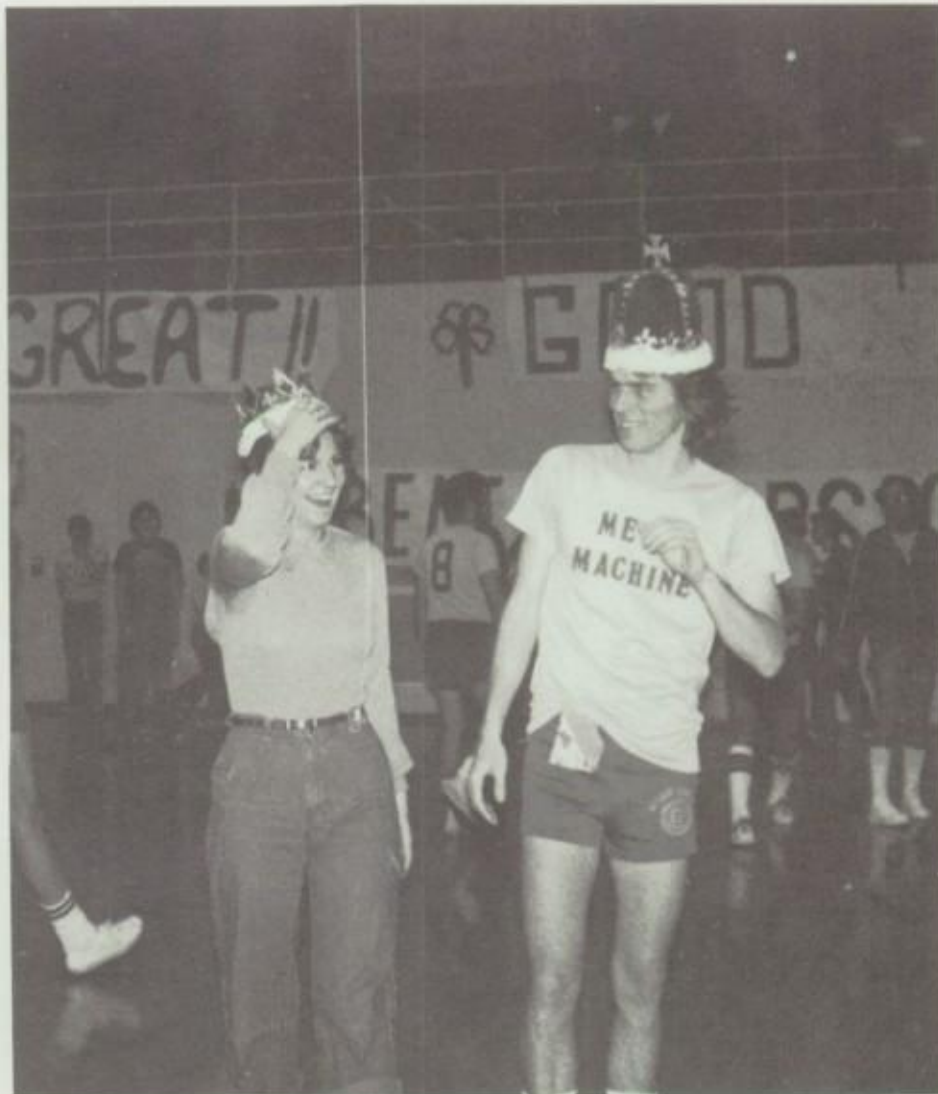

In April, many Seniors enjoyed the prom before their big month of May. May produced many activities; these included Senior Week, Last Supper, Senior Breakfast, a King's Island trip and last but not least, graduation.

The 310 member class of 1978

received their diplomas on May 23 in the DC gymnasium. Valedictorian John Lazo and Salutatorian Jill Guthrie delivered speeches concerning future goals and the class in its past twelve years. The evening ended with a bang as firecrackers were lit.

Faculty Mean Machine member Mr. James Lucas gets a rebound of the hard fought Super Bowl V game.

After being crowned king and queen, Mr. Phil Webster and Mrs. Diane Ehlers smile with joy.

Mr. David McKowen looks on with a chuckle as the senior cheerleaders try to get all ideas together and perform a mount.

(Top) Mrs. Rasmussen displays to junior Barbara Koons one of the many items on sale in the general office.
 (Above) Junior Tammy Wyse and sophomore Robbie Crump sample candy sticks while counting and separating flavors.
 (Right) Senior Lori Johnson displays a jacket purchased by the matmaids through the sale of grape and cherry suckers.

DC's General Store: Something For Everyone

While attending Decatur Central High School, students are faced with the daily problems of how to get to class on time, what to eat for lunch and how to get past the hall monitors. But the biggest problem faced daily by students is how to say "no" to the twenty-fifth baseball player who asks you to buy light bulbs.

Every other day a new club, class or organization is selling something different. Students and faculty members have been asked to purchase anything from grapefruits to suckers, from coloring books to magazines.

The money raised from these sales is used to purchase equipment, uniforms, or supplies.

Many clubs use the funds to pay for trips, the prom or other activities.

Whether students participate in these sales or just tolerate them, these fund-raising activities are vital to the survival of student organizations.

(Left) After purchasing a candle from the choir, senior Carrie Wentworth finds carrying it around all day is a problem.

(Above) The Freshman Class displays their winning float. (Right) The seniors won the Spirit Stick one way by decorating the gym. Shown here is Kim Brocklehurst, painting one of the signs.

Homecoming Night: A Victory 'Floats' By

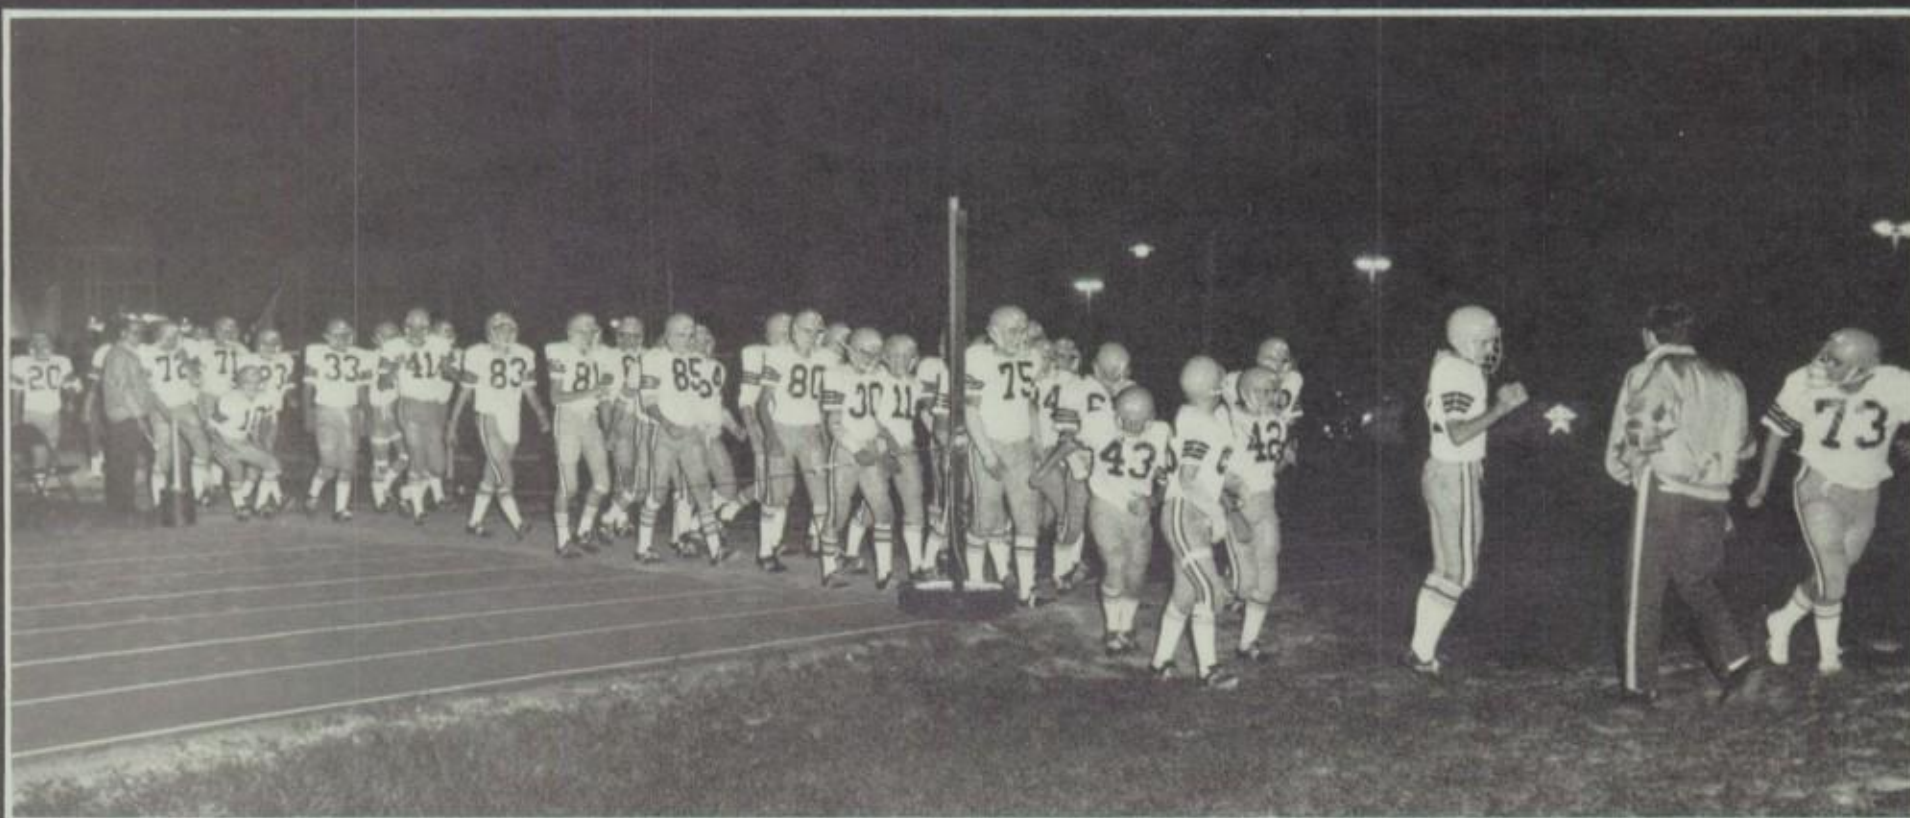

Floats again became a major item as each class joined forces to out do the other during Spirit Week for Homecoming 1978.

However, it was the senior class at the top of the heap when it was over. They were awarded the spirit stick during an afternoon pep session for dressing up during the week, decorating the gym and showing the most class

spirit at the pep session. An afternoon of class competition in tug-of-war, sucker licking, a three-legged race and banana split eating contest also gave the seniors enough points to capture the 1978 Homecoming trophy. The freshman class won the float competition with the theme, "Put Pike 6 Ft. Under."

Homecoming Eve marked the

first bonfire, where a Pike Red Devil was burned by the varsity football players, and Hawk supporters cheered throughout the evening. It was then that coach Ron Furniss predicted the Hawk victory, as his team defeated the Red Devils 8-7 before the Homecoming crowd.

After psyching up in the locker room, the Hawks prepare to burn the Devils down.

Unaware that their cheer will become our reality, the Pike cheerleaders say "GOOD LUCK" to DC's cheerleaders and homecoming crowd.

Christmas Kindness Creates Cheer

Christmas time was special for people all over the world and especially at Decatur Central as the student body became involved with helping others and having a good time.

The senior class sold tickets to raffle off the basketball at the Greenfield Central game. The money raised from this raffle was used to purchase a television for a nearby nursing home.

On the last afternoon before vacation, the Student Council

sponsored many activities for students to choose from. The Drama and Speech Departments performed plays, the Goldenaires sang, the Art Department demonstrated arts and crafts techniques and students were allowed to play ping pong and basketball in the gym. Three movies were shown, and for students who wanted a quiet afternoon, euchre and chess were offered.

Thirteen members of DC's Student Council also worked during

vacation on the first Star Telethon to raise money for Cerebral Palsy. WTHR Channel 13 televised their 4 to 5 a.m. appearance.

Students filled their vacation time working, resting, and playing with family and friends. Even though vacation was shorter than usual this year, students still enjoyed their days away from Decatur Central.

DC Audiences Enjoy Drama, Variety

Kim Newland as naive Vera Claythorne and Mark Gagen's debonair Captain Lombard were supported by nine other characters in Agatha Christie's "Ten Little Indians," presented April 28 and 29. The show centered on drama and suspense as, one by one, each person was slain.

Variety in performances, not prizes, was stressed in "Saturday Night Live," Decatur Central's variety show presented on September 23 to one of the biggest

DC audiences ever to attend. Those attending were entertained by acts ranging from senior April Vanlonden singing "Tomorrow," to a King Tut dance performed by senior Val Firkins, junior Dana Dodds, and sophomore Kelly Firkins. Other acts included a presentation of a scene from "Godspell," Steve Martin imitations, more songs and a skit set to the music of "Send In the Clowns."

Annie Oakley Makes DC Debut

A large pit orchestra and reserved seating were untraditional features of DC's production of the musical "Annie Get Your Gun," November 18 and 19, 1978. Senior April Vanlonden as Annie Oakley from the backwoods and senior Bryan Hunt as Frank Butler of the Wild West Show were supported by a cho-

rus of 50, an orchestra of 30 and 15 dancers.

Dolly Tate was portrayed by senior Debbie Calvert, and senior Jeff Vorhies acted as Charlie Davenport. Senior Mark Gagen played the part of Buffalo Bill, and Chief Sitting Bull was enacted by junior Bob Perry.

Chief Sitting Bull aids Annie in her transition to the life of a Sioux Indian.

Dolly and Charlie eagerly anticipate the coming of Colonel Buffalo Bill.

(Top) Annie discusses an important financial bargain for wild turkeys with her younger brother and sisters. DC Band Promotes School Spirit

One major factor in promoting spirit throughout the school is the DC band. In addition to regular functions such as playing at basketball and football games, the band also plays at pep sessions. In relation to the pep club, junior Andy Gillespie played his

tuba during timeouts to create spirit in the crowd.

The motto of the band is "Winning isn't everything, but wanting to is." This year the band participated in the Lebanon High School and John Marshall marching band contests, receiving two

first place ratings and two inspection trophies. Junior Bruce Roaden commented, "Since I have been in band, we have obtained seven firsts out of eight. It gives me pride knowing that I have been part of a group that has been very successful."

Festivities Highlight Year

Français

Après un voyage à Montréal, Canada pendant les vacances du printemps, beaucoup de membres du **Cercle Français** ont gagné l'expérience avec les peuples français-leur langue et leurs coutumes. Les élèves ont trouvé qu'ils ont eu de la difficulté à comprendre le français de la 16ième siècle; ce qui s'emploie déjà à Montréal. La beauté de la Cathédrale de Notre-Dame a fait une bonne impression à beaucoup d'élèves. On a employé plusieurs formes de la transportation. Pour pouvoir aller à Montréal, le **Cercle Français** a eu un rock-a-thon et un "coat check" à tous les jeux de basketball. Le coat-check a été continué cette année avec l'espoir d'aller à Québec.

After a trip to Montreal, Canada during spring break '78, many French Club members gained experience in dealing with French people and their language. The students found that they had difficulty understanding the sixteenth century French; which is still used in Montreal. The beauty of the Cathedral of Notre Dame impressed many students. Various forms of transportation were utilized during the trip. To help finance this trip, the club had a rock-a-thon and a coat check at all home basketball games. The coat check was continued this year with the hope that a trip to Quebec could be possible.

Latina

Hoc anno Latinae classes duplicatae sunt numeris inscriptis. Hi novi discipuli exhibuerunt magnum additamentum Juniori Classico Foederi vel Latino Collegio. Vendere sacchara crystallina ex Coniunctis Respublicis et alienis regionibus factum est nova industria indice Latini Collegi. Undecimo die Novembris collegium cursu contendit Circo Parco in Charathone et se collocavit undecimum e duodeviginti contendentibus iugalibus. Tanti in mense Februario erant Latinus Dies et Romanum Convivium. Ut a maioribus traditus, sodales collegi anno primo quam servi venditi sunt. Diei Valentino Latini classes descripserunt in libellis suas imagines de antiquis Romanis Valentinis.

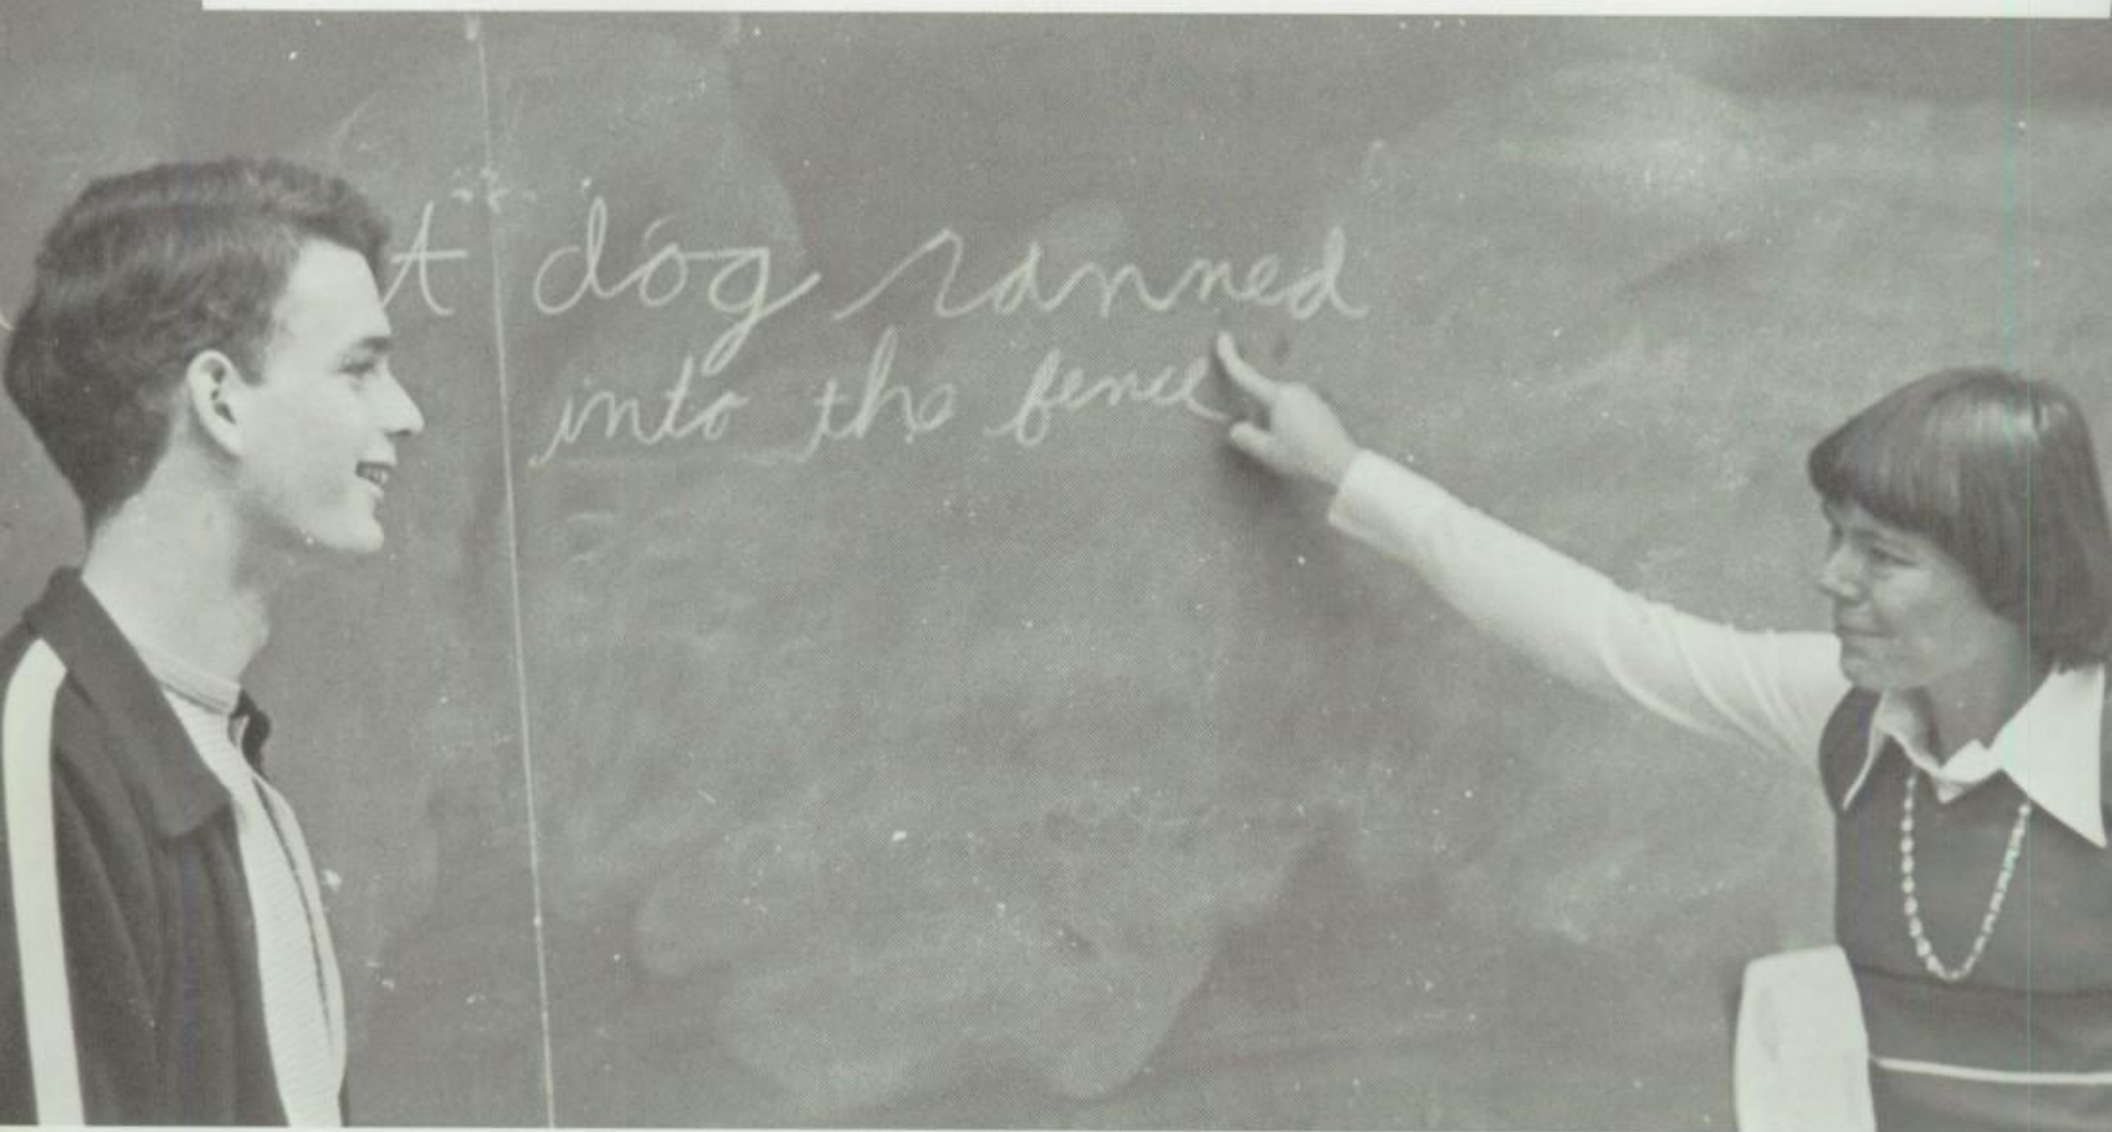

This year the Latin classes have doubled in enrollment. These additional students have shown a great increase in the Junior Classical League or Latin Club. Selling candies from the United States and foreign countries became a new activity on the list of the Latin Club. On the eleventh day of November at Raceway Park, the club raced in a Chariathon and placed eleventh out of eighteen competing teams. The highlights of February were Latin Day and the Roman Banquet. As is traditional, first year club members were sold as slaves. For Valentines Day, the Latin classes depicted on posters their ideas of an ancient Roman Valentine.

Español

Las clases de español dieron su atención al uso correcto y a la gramática y pronunciación de la lengua. Los alumnos de los años tercero y cuarto tenían que pagar cada vez que decían algo en inglés. Otra parte principal de las clases fue el proyecto, y entre los proyectos más populares fue la piñata. Las clases avanzadas también discutían la posibilidad de un viaje a España durante el año que viene.

Spanish classes concentrated on correct usage and pronunciation of the language. Students in third and fourth year classes were fined for each time they spoke English. Another major portion of the classes were the term projects. Piñatas were the most popular amongst the projects. Plans for a trip to Spain were made for next year.

Grammar Teacher Mrs. Mary Sauter ain't too happy with soffmore Chuck Webb as his sentence shows he ain't quiet ready for college English classes.

Bad Grammar: I ain't got none!

this years english department emphasized corect grammer and usage of verbs. speling was another important part of the curickulum. students that intended to go to colege was encouraged to take colege prep classes which practiced thees skills. another one of those

changes were that freshman, soffmores, and juniors had to take a full year of grammer and litature. one soffmore student was herd to complane, "why does we have to take grammer for three years? I ain't got no bad english"!

Deadlines Create Chaos

Sweating under the strain of meeting deadlines is an agony known to all publication staff members. Many hours are spent after school working on pages. An editor's weekend at home may be lost attempting to write a difficult piece of copy or correcting the many mistakes of another staff member. Some staffers have been known to become "fed up" with these problems and to send the pages in "as is." Only through the help of the many staff members can a "newspaper person" or "yearbooker" overcome the deadline "blues."

Data Processing: DC's Own Business Center

"The main involvement with Data Processing is key punch," stated senior Lori Johnson, who is in the advanced Data Processing class.

Every day exact figures are added to the annual report made in June. The report includes honor roll, class rank and permanent records of all students attending Decatur Central High School.

The Data Processing class does many important things for the school. This business class makes cards for each student in school, writes the absence list every day for the jr. high and high school, and takes an inventory on all schools in the township.

There are great job opportunities in Data Processing because it is a unique skill. Data Processing teacher Merriline Hale commented, "It prepares the advanced students for the job market, and is a good job to work your way through college."

Gym Classes Advance

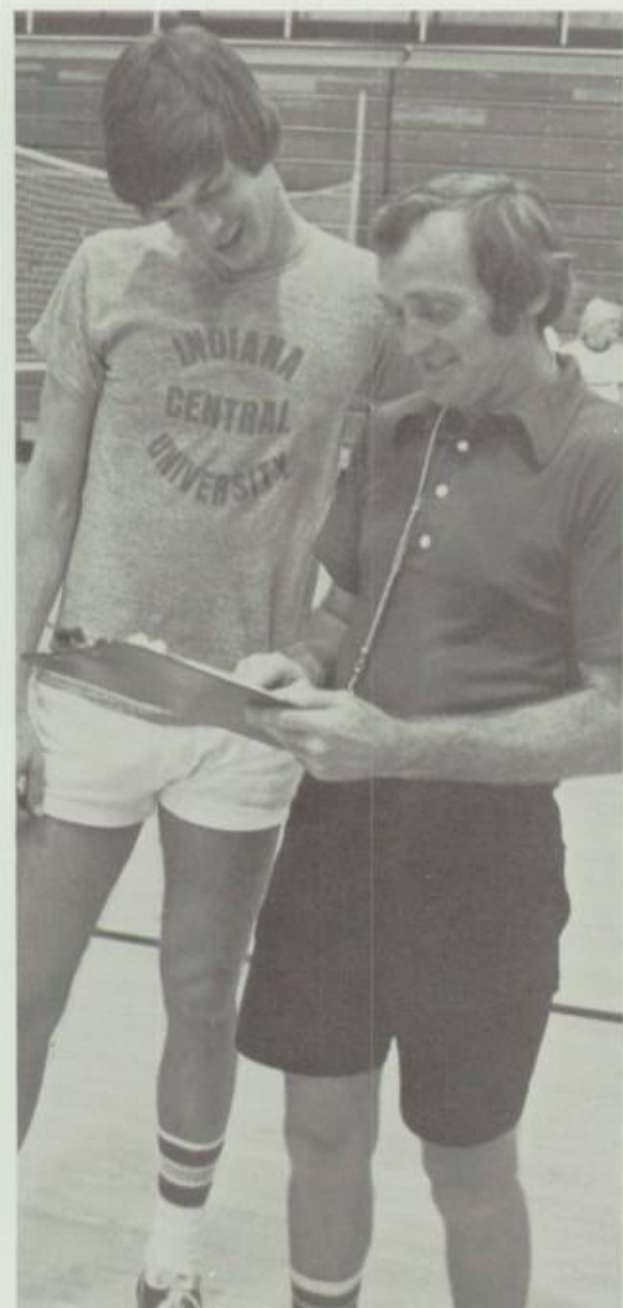

The Physical Education Department introduced a new system of classes this year. Changes in the program consisted of eliminating sophomore gym class as a requirement and offering an advanced class for sophomores, juniors and seniors. The advanced classes were divided into six courses lasting six weeks each. The courses were based on a survey taken last year and also on the practical use of the gym. The first semester courses selected were tennis, volleyball and swimming. Basketball, recreational games and softball were offered the second semester. These classes were designed to give upperclassmen a privilege of taking PE and also to help specialize in the various courses. Junior Darlene Reeves commented, "Advanced gym class gives you an opportunity to do more. It's also nice because people want to take it."

An advantage of the advanced classes is the specialization in swimming techniques. This class takes time to practice their kicking form.

Freshman gym classes participate in a volleyball tourney.

Advanced Art Enriches Classes

The advanced ceramics class is one of the more interesting art classes because of the many phases of pottery and the construction of each type.

"The seven to one student-teacher ratio is ideal in a class like this," stated Mr. Bruce

Pearce, department head. "I feel that our art department is unique because of the depth of instruction in the different courses. We offer not only oil painting, drawing and ceramics classes, but also advanced courses where students are able to study these

types of art even deeper." Pearce also commented that the new art teacher, Miss Rhonda Davis, has brought a whole new spectrum to the art department with her experience in crafts and ceramics.

Molding every detail makes sophomore Andy Mills' sculpture unique.

Sophomore Linda Clester displays her work in advanced drawing class.

Designing The Future

(Above) Junior Don VeHorn corrects an angle on his drafting sheet.

Architecture is rapidly increasing in popularity as a profession for both men and women. Students at Decatur Central enroll in drafting classes to improve their architectural skills and to decide if this will be their career choice. Three types of drafting classes are offered—general drafting, engineering, and architectural drawing. The general drafting class concentrates on accuracy and neatness. While second-year students study the manufacture and usage of materials, they also

design a machine which performs a specific function. Machines must have a patent to ensure ideas are not used in any other way. Architectural drawing classes focus mainly on floor plans and blue prints. Industrial Arts teacher Mr. Ted Fisher explained, "This class is deeply involved in the construction of their house. This includes footings, plumbing and supports. The house must be quite elaborate but practical for everyday living."

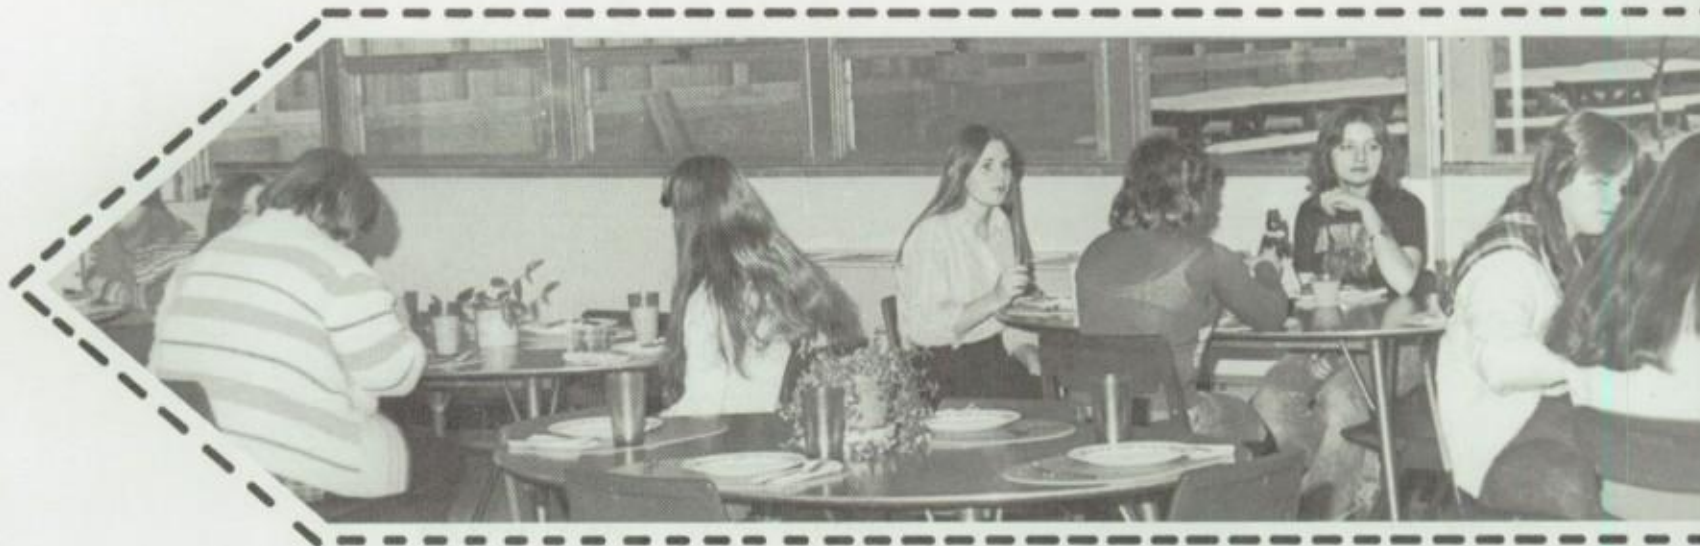

(Left) Drawing various sketches is just the beginning of freshman Jerry Wolf's projects.

Home Ec. Forms Life "Patterns"

To pattern one's life, everyday skills must be learned. The Home Economics Department hopes to prepare students for adult responsibilities and to be able to face life after leaving high school in order to fulfill their life time needs.

This year the advanced sewing class was required to sew a three-

piece tailored suit. This project provided the mastery of new sewing techniques. Home Ec. teacher Miss Kay Kelsay commented, "Today all young people are more clothes conscious, and by learning advanced sewing techniques a person can economically improve his wardrobe."

Combining all home economic classes for the first time, each class helped to prepare a Thanksgiving dinner "with all the trimmings." Department head Mrs. Ruth Marshall stated, "Each class could compare their made dish to others, which helped to make the dinner very nice."

Math And Science Modernize Learning

Many aspects of modern life revolve around math and science.

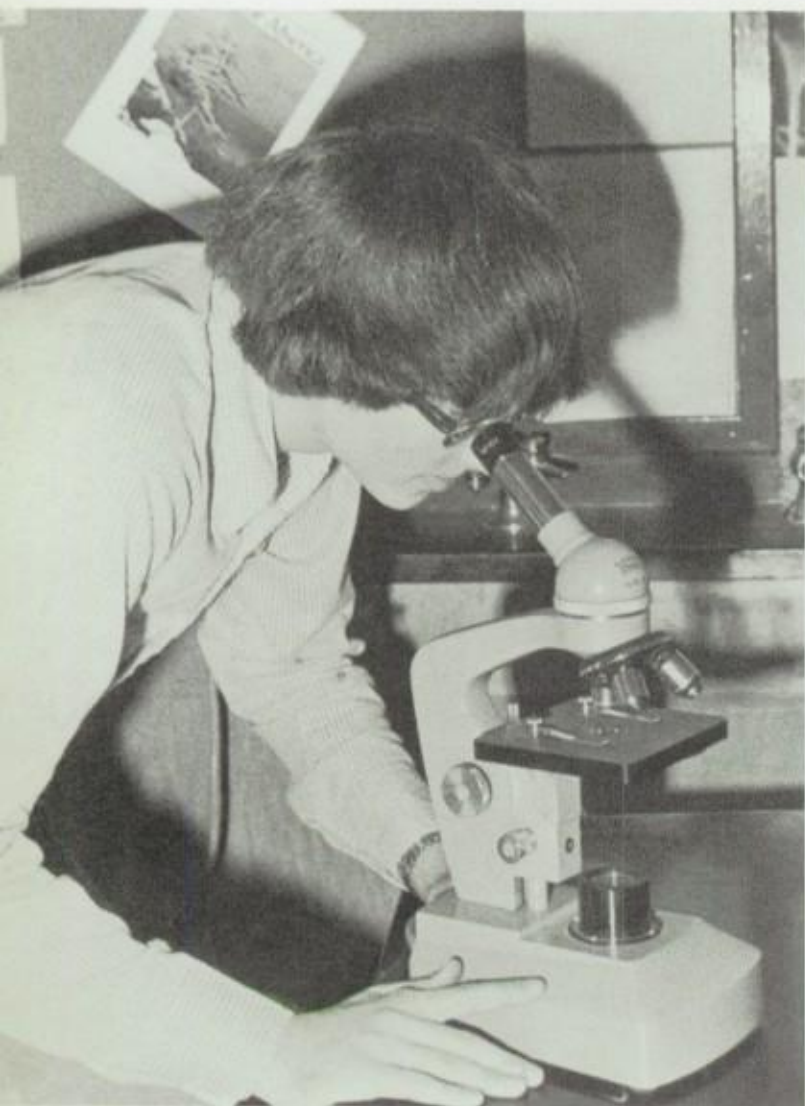

The Math Department is concentrating on math in terms of computers and their programming in the future. The department hopes to purchase desk

size computers for the advanced classes.

Mr. Marion Cooley, Science Department head, compared the scientific knowledge of today to when he was in high school. "There has been a great deal more research done in science,

so the students get more details in class. Another advantage is that science is much more electronic than it used to be."

The math and science classes allow students to learn these different aspects involving electronics.

(Right) Chemistry students Tim Tague and Kathy Hurst observe the results of their experiment.

(Opposite page) Juniors Milo Hatfield and Joe Almon examine the contents of a test tube as chemistry teacher Mr. James Johnson instructs.

Teaching: The Name Of The Game

In the Social Studies Department, different methods of teaching are used in each class. In Economics, students play the game of Monopoly in order to learn how money works. In Mr. Phil Webster's U.S. History class a replica was made of the land the colonists had. Colonists (students) buy this land from King Phil, who proposes taxes and unfair laws. Eventually this leads to the colonists' revolt, and they have simulated a revolution. Field study, which includes visits to nursing homes and mental institutions, and surveys are the goals of Mr. Don Huffman's Social Problems class.

With the addition of three new courses—International Relations, Economics and Social Problems—the social studies department has developed its curriculum to include classes for different ranges of people. Mr. Dave Rather stated, "I think it's good we have new classes this year. It lets students have a wider range to choose from."

Sophomore Bill Strube displays his model of an ancient pyramid that he made for World History.

This colonial land replica is the basis of revolt for Mr. Phil Webster's class.

Sophomore Robin Moore critiques her own project that she constructed for World History class.

Seniors Darlene Waltz and Roxanne Shields discuss their recent psychology experiment, which involved evaluating different people.

Diamondmen Display Improvement

The Decatur Central Varsity Baseball Team, with a record of 10-14, displayed much improvement over last year's season record. If not cut short by injuries, the team goal of a .500 season could have been a reality. Senior Mark Moreland received Most Valuable Player honors despite facing an injury-shortened season. Sophomore Greg Thompson was awarded the batting title, while junior Donn McKinney received the Citizenship Award. The forecast for the 1979 Varsity Baseball Team looks promising as it will contain nine returning lettermen. The reserve team established a 3-8-1 record as they posted eight different .300 hitters.

Four Records Shattered

The coaching staff of Mr. Ted Fisher, Mr. Jim Lucas and Mr. Jim Petty led the 1978 Varsity Track Team to a record of 10-5. Also selected by the team to help in leadership were the two co-captains, Kevin Beanblossom and Jay Lucas. Senior Eric Fordyce sprinted a full half-mile to be named the CSAC 880-yard run champion of 1978. Other boys displaying great efforts were Lucas, who won the mile in the

North Central Relays, Randy Allen, Beanblossom, Mike Hood and Randy Hynes, who all advanced to the regionals. Four school records were broken. Setting these new records for the eight returning lettermen to shoot for were Beanblossom in the discus, Phil Blain in the 330-yard low hurdles, Hood in the two-mile run and Hynes in the mile run. Hynes received the Citizenship Award, while Lucas was

voted as Most Valuable Player. The Reserve Team ended the season with an 8-1-1 record. Coach Fisher commented on next year's season by saying, "We lost some key people this year, but we are hoping that the underclassmen will be able to fill these positions in order for us to keep our strength in the events that brought in the majority of our points."

Senior Dave Purichia led the 1978 Boys' Golf Team with a 44.8 stroke average. The team compiled a 2-12 season record, placing 8th in the CSAC, 13th in the Marion County, and 10th in the sectional. Purichia received MVP honors, while Senior Dave Green received the Citizenship Award. The 1979 team returns lettermen sophomores Joe Almon and Gary Thompson. Six Participate In Regionals

The 1978 Girls Track Team accomplished many things this year under the coaching of Mrs. Lou Ann Fitzgerald and assistant Mr. Russ Sarfaty. They posted a season record of 7-3 and received 2nd place in the CSAC. A new school record was set by the 440 relay team of Kathy Hurst, Natalie Sharp, Sabrina Sharp and Emma Smith. Advancing to the regionals were Tandace Joseph, Carol Montgomery, Cindy Beanblossom, Donna Small, Kelly Urban and Carol Smith. After placing first in the high jump, Small went on to compete with the top athletes in the state track meet. Small received the Most Valuable Player and Montgomery was selected for the Mental Attitude Award. Coach Fitzgerald stated, "We already have one of our goals set for the next season. With only two seniors graduating off the team this year and a very talented group of underclassmen returning, we are hoping to take the CSAC next year because Ben Davis has moved out of the Conference."

Miss Janet Shahan coached senior Debbie Qualkenbush into the fourth round of the sectionals, which was the best finish for the 1978 Girls' Tennis team. The doubles team of junior Pam

McDaniel and freshman Angie Forrelo followed closely with a third round finish. Their season came to an end with 5 wins and 7 losses. Qualkenbush was voted as Most Valuable Player and Jill

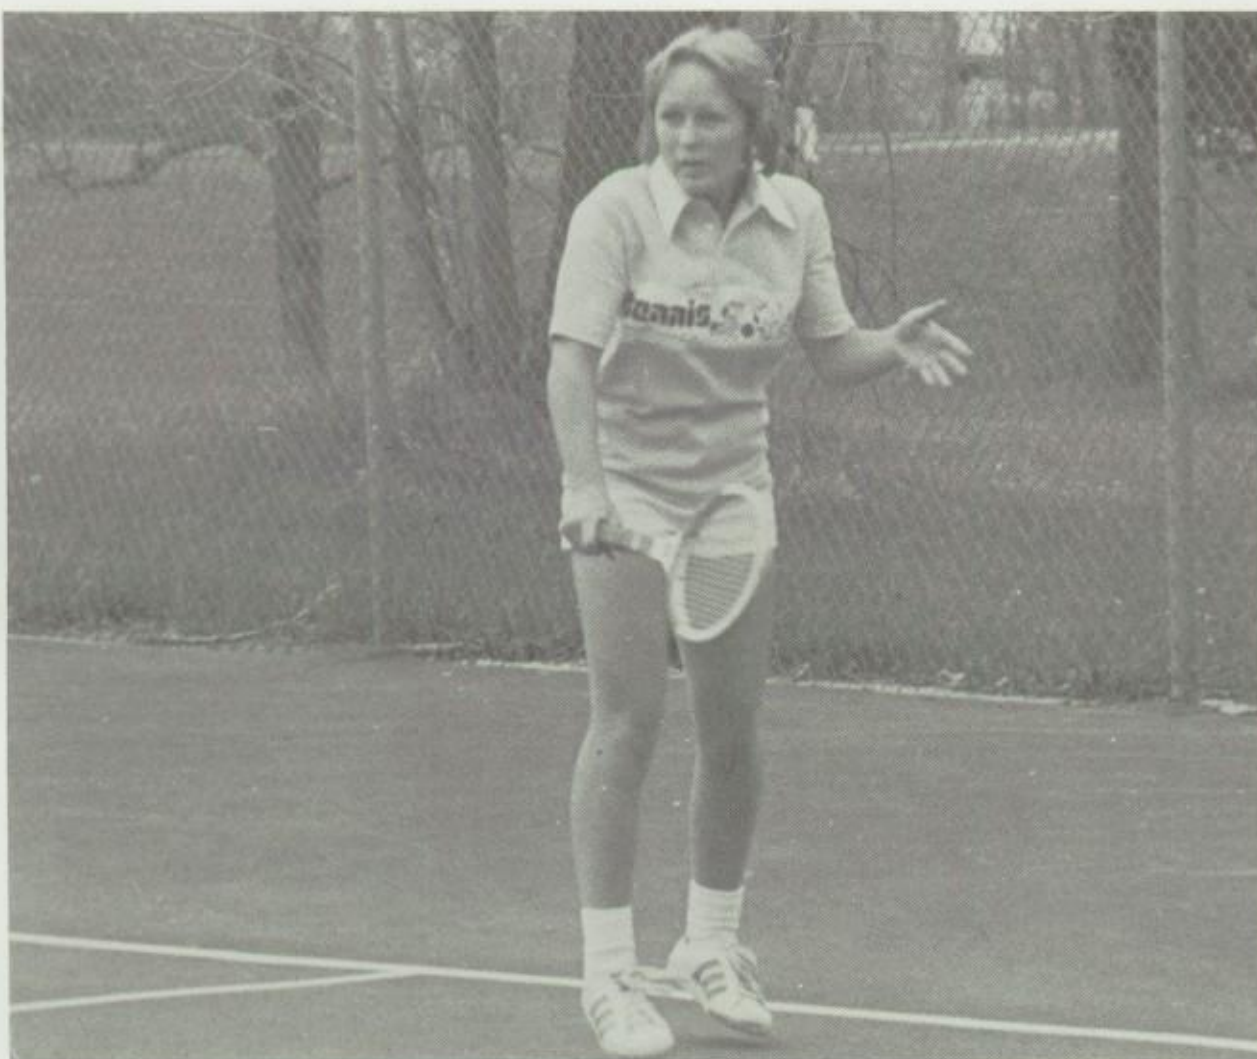

Guthrie was the recipient of the Citizenship Award. The 1979 team will return four lettermen: juniors Debbie Cole, McDaniel, sophomore Marla Wagner and freshman Forrelo.

Girls Have Winning Season

This year's Golf Team was led by senior co-captains Debbie Bullard and Tracy Mills to a 7-6 record. Bullard, with a 44 stroking average, had a personal record of 10-3 with a 3rd placing in the Marion County meet and a 6th in the sectionals. She set a new school record by shooting a 41 during a meet. Coach Huffman stated, "Bullard had a tremendous attitude and was very dedicated." With these two qualities she was awarded the Most Valuable Player while Mills received the Citizenship Award. The team will be returning five lettermen: juniors Sherry Johnson, Lisa Johnston, Connie Soeurt, sophomores Sally Hynes and Marcia Sims.

Led by team co-captains Tim Garver, Tom Whyde and Ken Clarkson, the 1978 Varsity Football Team compiled a 2-8 record. Most Valuable Player Award was received by Whyde as seniors Bryan Hunt and Clarkson were awarded outstanding lineman and outstanding back honors, respectively. The Citizenship Trophy was presented to Hunt. Highlighting the 1978 Varsity Football Season was a close 8-7 Homecoming triumph over Pike. Next year's team will sport 10 returning lettermen, headed by co-captains Doug Greenwald, Bill Finchum and Mike Tutsie.

Underclass Prepares For Future

Although an 0-8 record usually displays a disappointing season, the reserve gridders, guided by the play of leading rusher Mike Tutsie and leading scorer Rick Qualkenbush, gained valuable experience to ready them for the varsity level next year. The Freshman football team, posting a 7-2 record, compiled a winning record in football at the Frosh level for the first time in five seasons. Led by the rushing yardage of Mark Realey and by the passing of Quarterback Jim Small, the Frosh gridders combined for 1,305 total yards.

Preparing athletes for upper levels of competition is the basis for freshmen sports, where fundamental skills are practiced and perfected. Frosh diamondmen, coached by Charles Hawkins, completed their season with a record of 7-2-1. Rick Qualkenbush established a school record of 45.0 in the 330 Low Hurdles as the Track Team finished with a 4-4 record. Coach Ron Barnes cited several individuals for outstanding work. Volleyball was a new sport offered for freshmen girls this year. Coached by Julia Wood, the girl spikers compiled a record of 2-10. She felt that "the girls will be prepared for the varsity and reserve levels next year."

Harriers Finish 12th In State

The balance of the Hawk Harrier team is demonstrated here as the Varsity runners are able to stay together.

The 1978 Cross Country Team compiled their best record ever, posting a dual record of 9-0 and three firsts out of five invitationals. The team, led by senior co-captains Randy Hynes, Jay Lucas and Chris Smith, finished second in two other invitationals behind State Champion Carmel, the only team to blemish their record. The team accomplished something no other team has ever done in the history of Decatur Central High School. On October 28, the DC Harriers proceeded to the State meet after a first place finish in sectionals and a second in regionals behind Carmel. The team concluded their season with a respectable 12th place finish. They were also Marion County and CSAC champions, with Hynes, Lucas, Smith and junior Brian Rumple being designated as All Conference Runners.

Throughout the season, Hynes, Lucas and Smith were running in the number one positions. Due to this, all three received the Most Valuable Player Award. Rumple was the recipient of the Citizenship Award. At the end of the season Smith claimed the course record of 12:39. Returning lettermen for the 1979 season will be juniors Rumple, Greg Monfreda, Erich Bauer, Chuck Lay and sophomore Jackie Knapp. Lay and Knapp also helped the Reserve Team end their season with an impressive 7-2 record.

For the first time DC had a girls team. The team was formed gradually as the season went on. By state meet time, there were enough girls for DC to enter as a team. They finished 9th out of 16 teams. Senior Cindy Beanblossom finished in the top twenty. Also running for DC were senior Kelly Urban, juniors Mary Amos, Shirley Cloud and sophomore Karrie Biltz. Beanblossom holds the 2-mile record of 12:46.

Spikers Ready For Next Season

Although a record of 2-14 for the 1978 Volleyball team was not as good as hoped, the team was led with consistent play of senior captains Debbie Cole and Becky French.

Cole was named MVP, while French was granted the Citizenship Award. Juniors Robbi Joseph, Judy Moyer, Julie Moyer, Debbie Small, Carol Smith and sophomore Lisa Disbro return next year as lettermen.

With a completely new reserve team, much experience was gained for next season. They posted a record of 2-14 also. Leading player for the reserves was sophomore Susan Lee.

Coach LouAnn Fitzgerald commented, "We had a great group of girls and we had lots of fun and they learned a lot. That's mainly what athletics is all about. The girls worked hard and we are going to be ready for next season."

Seniors Becky French and Darlene Waltz successfully complete a block resulting in a point for the Hawks.

Before the game, the team huddles to "psyche up."

Tennis Tallies 6-12 Record

Leadership provided by team co-captains John Soeurt and Brian Ramey lifted the record of the 1978 Varsity Tennis Team to 6-12. Junior Brian Ramey received Most Valuable Player honors as senior Tom Bennett was the recipient of the Citizenship Award. The 1979 Varsity Tennis Team looks forward to the return of letterman Ramey, who set a new school record with an outstanding 12-6 individual performance in number one singles play. Underclassmen Larry Jones, Ron Newkirk, Mike Bennett and Jim Fahrbach will round out next year's promising young team.

Price Takes CSAC & Sectional Crowns

Although DC had a very young team, the grapplers were able to compile a 4-8-1 record. Underclassmen comprised the team and gained valuable experience in the 78-79 season. Sophomores Greg Hawkins and Dave Cravens established fine records in addition to performing well in the tournaments. Junior J. W. Price was able to capture the CSAC championship title and finished fourth in the Marion County Tournament. Along with Price's finish, aiding the Hawks to a second place finish in the conference were Hawkins' second place finish and third place finishes by sophomores Dana Aeschliman and Cravens. Seniors Randy Allen and Gerald Duncan were second and third place finishers. Returning lettermen for the 79-80 season include Hawkins, Aeschliman, Cravens, Price, Matt Dittemore and Jesse Hunter. Coach Dick McCory adds, "We will be tough next year!"

Under the supervision of Coach Dave Walpole, the Reserve team finished their season with a 3-10 record.

With many underclassmen returning next season, Coach David Wiik's Aquahawks will try to improve upon this year's record of 6-8-1. Only three seniors leave the team. In the 100

yard backstroke, sophomore Jeff Vickers turned in possible state qualifying times. Also the medley relay team of Kraig Anders, Doug Davis, Tim Tague, and Vickers was a possible qualifier. Davis

was awarded MVP, while Scott Standeford was granted the Citizenship Award. Seven lettermen return for next season.

Tournaments Highlight Hawk Season

Led by returning lettermen Sam Davis, Tim Garver, Coy Lickliter and Jay Lucas, the Varsity Basketball team compiled a record of 9-13. Through spirited play, the Hawk cagers peaked twice in tournament performances with Perry Meridian falling in both Marion County and Sectional competition to the Hawks. Outstanding play by Garver gained him all-county honors while seniors Lickliter and Davis received all-sectional honors. Lickliter was presented Most Valuable Player honors as seniors Dave Coppess received the Citizenship Award and David Huff earned the Most Improved Player Award.

Reserve Cagers Look To Varsity

With the guidance of Coach Bruce Hensley, the Hawk reserve cagers attained much needed experience toward preparation for the varsity level. The reserve

squad, consisting of two juniors, five sophomores and five freshmen, compiled a record of 5-14 for the season. A lot is expected of these underclassmen in the

future. Freshman Chuck Beasley and junior Josh Davis gained leading scorer and leading rebounder honors, respectively.

Experience Takes Gymnasts to 7-7

Forming the nucleus of the 1978-79 Gymnastic Team were the six returning lettermen from last year. Seniors Kim Brocklehurst, Marcene Rasmussen, Debbie Richhart, Kelly Urban, juniors Cindy Doan and Davida Hankins "all gave a steady performance. They shared the benefits of their experience in gymnastics with

the younger girls and provided excellent leadership. All are dedicated and hard workers," stated coach Julie Wood. The team compiled a season record of 7-7. Urban received the Citizenship Award while the Most Valuable Player honors were given to Brocklehurst. Juniors Doan, Hankins, sophomore Linda Franke,

and freshman Melanie Messmore will be the four returning lettermen to the 1979-80 team. Other underclassmen hopefuls for the future are sophomores Nancy Angermeier, Karrie Biltz, freshmen Janet Allen, Cathy Pierce and Lisa Walker.

Girls Advance To Sectional Finals

First year girls basketball coach Bruce Simon and senior captain Kathy Hurst led the 1978-79 team to a record of 7-10. Leading the team in scoring was Debbie Cole, with a 13.0 average. Cole had 221 points for the season and 117 rebounds. Becky French, with an 11.5 average, scored 32 points in one game, breaking the old school record. Sophomore Brenda Hurst led the team in assists with 30. Hurst had a 9.0 average. French's old record of 37 steals was broken four times this year. Freshman Denise Walters ended up claiming the new record of 49 steals. Seniors Cole and Hurst received the Most Valuable Player and Citizenship honors, respectively. Underclassmen returning are juniors Shirley Cloud, Debbie Small, Connie Soeurt, sophomore Brenda Hurst, freshmen Melanie Hatfield, Walters and Amanda Williams. The Reserve team coached by Miss Karen Shepherd rounded out the season with a 5-9 record. Leading scorer and rebounder was Hatfield with 80 points and 90 rebounds.

Faculty

Seven of Decatur Central's teachers have a special background: they were graduated from DC. School life was not the same then. In Mr. Lucas' graduating class of 1949, high school classes met in the present-day junior high school. School was much more strict then. A dress code was followed by all students. Overcrowding was not the problem it is today, as there were only 44 in the graduating class. The present high school was not constructed until 1961.

Students participated in many of the same activities we do today. Movies and sporting events have always been on the minds of students. Although

school life was hard, students did not know how lucky they were. The faculty staff amounted to around 25 people, compared to today's 90.

Today's teachers returned to DC for various reasons. "I'm a Decatur boy," commented Richard-McCory. "I don't like anyone who says anything bad about Decatur."

Today's teachers agree that DC is a better school now. It is larger and the curriculum is greatly expanded. The students today have more freedom and are better informed. Overall, we now have a better situation.

The teachers who graduated from DC are glad to be back.

As The Curtain Closes On Another Year At DC . . .

(Above) Senior Lee Slade takes a last ride down Memory Lane as she relives one of many trips down the slide in elementary school.

(Upper left) Before their final days at Decatur Central, seniors Tracy Mills and Kevin Combs take turns in Vice Principal Dick Wood's chair to see how it feels.

(Left) As the end of their high school careers comes to a close, seniors Ginger Vandivier and Mark Henry take down locker decorations they collected throughout the years.

The Stage Is Set . . .

Julie,
 Randy, Your really
 a nice person and a great
 friend. Don't ever forget all kinds
 of good times we've had! Good luck in
 the future!
 Always
 Mike Dennis

for another school year at Decatur Central High School. A newly completed cafeteria . . . a new nine period day . . . a Homecoming bonfire . . . floats . . . the Cross Country Team's Marion County and sectional victories . . . the heartbreaking last second shot by Howe in overtime . . . Super Bowl VI . . . the Prom at Stouffer's . . . Graduation . . . the show will go on forever . . .

well, where do I start? You're really a GREAT person &
an incredible friend... but I guess you know
that! I really owe ya alot but what are friends
for!? We've had alot of really good times
together, even though we didn't always get
along... RITE DAISY? REMEMBER... ever since 2nd grade.
we little slumber parties - got pretty wild - gym
class, lunch, alot of special favors, games, notes,
BILLING'S class & many others, guy, phone calls,
embarrassing times, homecoming '79 - that
was really special to both of us at one time,
B.I.S., double, fixin' me & Eric up, gittin' loaded,
"a bloody mess", sneakin' to Kyle, sliddin',
that little song that kinda got you & Kyle
together & in a few days the prom will be
one of those memories... can't wait! We're gonna
have so much fun! Well I will, I know we
got alot more good times, high times & low
times & talks, & parties & parties! You're one
of the BEST friends I've had... & still got... & I
appreciate you always bein' there when I needed
ya... like on my B-day when me, you, Eric, &
Kyle were supposed to celebrate... THANKS! That's
only one of the many, but thank alot Julie!
You know if you ever need me I'll be
there so just give me a call! Maybe now
your mom will except me for what I am,
not what I'm said to be! RITE? REMEMBER
your wild drivin' - donuts & all our special
songs & poems! Good luck with Kyle - you're gonna
kill it when you try to check into a
motel on your honeymoon under "Mr. & Mrs.
Smith", from ABOLINE! Rod Stewart! Seriously. I love ya
& I know Kyle does so maybe all 3 of us can stay
TOGETHER... as friends & lovers. You're gonna kill me
for stoppin' up your book, but like I said before...
WHAT ARE FRIENDS FOR! Good Luck! May all your DREAMS & WISHES COME TRUE!
DREAM! YOU'RE GONNA KILL ME! Kyle.

Julie,
Well, I just got to know up
this year & I'm glad too! I wish had
fun in lunch and you & Sharon
helping me & Laura out of 3 feet
of snow! You a good person to
have around! Goodluck always
with Kye!

Love,
Julie

Julie, as for being to
go to a good place
I know for good
I'll be there for
you & Sharon. I'll be
good for you. I'll be
happy to see you.
Love,
Julie

Julie,
a really sweet
person I'll never forget!
Remember all the good
times we all had last and
this year! Especially the
trip! That was the greatest
one of us! I wish you all
the luck in the world with
Kye and in every thing you
do! Julie you a special person
and I know we'll have some
really good times together & this
summer! So be good and take
care! Keep in touch! Maybe me
you know and maybe can all double
some time! Remember me!
Love
all right! sorry
Julie

Julie
Good luck &
happiness
